Terms & conditions of sale.

As official tyre service providers for the British Superbike Championships in categories Superbike, Supersport, Superstock 600 & Superstock 1000, the following terms & conditions apply:

- Payment for the tyres is the responsibility of the person who's signature is at the bottom of this form.
- Whichever method of payment is preferred, the condition is that all accounts are to be settled before the next event. Failure to do so could result in your tyre supply being suspended until the outstanding balance is settled. Any accounts outstanding at the start of the following round will be subjected to an additional charge of 1% interest per day.
- Cash payments will be accepted at the time of purchase & a receipt will be given at the event. After the race an invoice will be raised & mailed to each payee within the following week.
- Cheque payments: the same procedure as cash payments, although where a cheque is returned unpaid we reserve the right to pass on any bank charges to the customer & suspend tyre supply until the funds have cleared.
- Card payments; Competition Logistics Ltd will require card details including expiry & or start date, issue number & security number if applicable. An invoice will be raised within a week. After each event the card will be debited. The customer copy of the card transaction will be attached to the invoice. All credit/debit card details will be held by Competition Logistics Ltd. For any card detail changes, for example, change of expiry date, issue number or a different card to be used, Competition Logistics Ltd must be informed & approve.
- Each team/rider is required to complete the riders registration form with main emphasis on the person directly responsible for payment. This undertaking is mandatory. Competition Logistics Ltd must be informed of any changes of circumstances & approve such changes. Any team/rider who has defaulted payments in the past may be asked for payment by card or cash in advance at each event .

- Tyre prices for the following classes; Superbike, Supersport & Superstock 600/1000 are as follows:
- Front tyre £80.00 plus VAT
- Rear tyre £100.00 plus VAT.

Terms & conditions of tyres.

To assist with the smooth running of the tyre fitment racing service we respectfully ask that all teams/riders follow the guidelines below.

- Wheels to be presented clean.
- All detachable spacers & sprockets removed.
- Wheels to be identified by team/riders number,name & rotation arrow.
- Deflated & presented without valve core/cap.
- Old balance weights removed.
- Old tyres to be marked with identification.
- Old tyres to be taken when wheels collected (if required).
- Old tyres left at the end of the day will be slashed.

Competition Logistics Ltd cannot be held responsible for customers wheels if they are not clearly marked as suggested above.

New valve cores will be fitted every time. Please keep hold of valve caps. Competition Logistics Ltd will supply metal caps when required (always use sealed metal caps). All tyres will be inflated to 2.5 bar. Pressures must be checked by the team/rider.

As I am sure you will realise, it will be a very busy time & all help & consideration will be much appreciated not only by Competition Logistics Ltd but also fellow competitors by cutting waiting time to a minimum.

Thank you in advance for your cooperation & good luck to all.
