

Championship Document FOUR 6 April 2011

Clarification

Races with mandatory Pit Stops:

If any race in the 2011 Lotus Cup UK Championship involves a mandatory pit stop, in the event that the Safety Car is deployed by the Clerk of the Course, the Safety Car will be deployed regardless of the position of the race leader and may not be required by the Clerk of the Course to wave cars past until the race leader is behind the Safety Car.

Nick Turner
Clerk of the Course
6th April 2011
